CREATE TASK

PRINOTH CONNECT TASK MANAGER

STAY ON TOP OF EVERY TASK, ANYTIME

Managing dozens, or even hundreds, of tasks at a ski resort is easier than ever. Task Manager keeps you updated, organized, and stress-free. It is a practical digital solution for creating, distributing and tracking different tasks throughout the ski area.

ONE APP, NO HASSLE

Create, assign, and track tasks in one place; ditch the clipboards and chaos.

SEAMLESS TEAM COMMUNICATION

Save time with instant, clear updates for everyone.

OPTIMIZED WORKFLOWS

Easy reporting - export open and closed tasks to an Excel file, complete with associated details.

NEVER MISS A TASK

Stay on top of deadlines, assigned and completed tasks with notifications.

FEATURES

- Intuitive interface that is easy to use on PC, tablet, or smartphone (Android & iOS)
- Automatic cloud backup and web-based sync across devices
- Create and assign tasks anywhere—add comments, attachments, photos and geolocations
- Personalized work assignments for each employee
- Push notifications for new and pending tasks
- Time stamps and geolocation for accurate tracking
- Integrated with online resort management platform Skadii
