SNOWPARK SERVICES

SNOWPARK

PLAN YOUR SNOWPARK ACCORDING TO YOUR TERRAIN

A great snowpark delivers fun for all skill levels. Together with your team, we create a sustainable concept that optimizes snow, resources, and safety while enhancing the riding experience.

TAILORED SOLUTIONS

We digitalize your project and together with your team, we develop a custom concept that aligns with your goals and guest expectations. Our detailed calculations incorporate safety aspects while ensuring optimized flow throughout your snowpark.

SAVE SNOW, TIME & ENERGY

Terrain-based 3D planning and digital construction guidance displayed directly in the vehicle help operators build and maintain sustainable parks with ease.

CONSISTENT QUALITY, ALL SEASON LONG

Your team can maintain the park exactly as planned, ensuring top-quality features throughout the entire season.

RELIABLE SUPPORT FOR SEASON-LONG SUCCESS

From initial construction to in-season assistance, we provide expert guidance—both on-site and remotely.

WHAT YOU GAIN

- Digitalization of your project
- Customized concepts to minimize costs and secure your long-term success
- Precise calculations of speed, flight curve trajectory, landing impact, airtime for a fun and safe snowpark experience
- Terrain based 3D planning reduces snowmaking needs and machine hours
- The digital construction guidance ensures quick setup and extended operational periods
